linkedin.com/in/gedionagmas Bahir Dar, Ethiopia

### SUMMARY

Full Stack Developer with over 4 years of experience in HTML, CSS, Bootstrap, Tailwind CSS, Javascript, React, Python, MongoDB, Express JS, Mongoose, Socket.io, Redux Node JS.

### EDUCATION

#### BSC in Software Engineering

Bahir Dar University 2018 - 2022 Bahir dar

### EXPERIENCE

#### Senior Full stack Developer

AGRI TECH HACKATON 2019 - 2021 Bahir dar/Ethiopia

Agri Tech Hackaton is an event that identifies current challenges in the agricultural industry and for which tech solutions are proposed. I work as a full-stack developer here, responsible for building, deploying and maintaining internal web applications.

- Creating user interfaces using HTML, TailwindCSS, React JS and Framer motion.
- Writing server-side logic using Node JS and Express JS.
- Integrating databases using MongoDB.
- I worked closely with the design team.
- I also collaborated with other developers on the team to troubleshoot issues that arose throughout the development process.

#### Full Stack Developer

Atlantic IT Solutions 2021 - 2022 Addis ababa

Atlantic IT Solutions is a Web Development, Web Design, Web Hosting, Software Development & Email Supplier Company in Addis Ababa, Ethiopia. I was responsible for designing and developing web applications from start to finish

- Creating user interfaces using HTML, TailwindCSS, React JS and Framer Motion
- Writing server-side logic using Node.js and Express.js.
- Integrating databases using MongoDB.

#### Full Stack Developer

Zala Tech Plc 2021 - 2023 Addis ababa

ZalaTech is a reliable Website Design & Development, Software Development, ERP Implementation Solution, Networking solutions and SEO service provider in Ethiopia.

- During my time at Zala Tech, I worked closely with designers, project managers, and other developers. I was responsible for both the front-end and back-end development of these applications, which required me to collaborate closely with other team members.
